

### Revisions to Canada Delta 8.7 Dashboard

The table below outlines how Delta 8.7 incorporated Canada’s feedback into the Canada country dashboard. The numbers and letters in the first column refer to those in Canada’s Official Response (attached). The majority of Canada’s feedback was incorporated into the revised dashboard. A small number of suggestions was not included in the revised dashboard due to length or relevance.

Comment from Canada	Status	Comments	Location of change
4. a)	Accepted	For brevity, the language under “Key concepts and Terminology for the UCR2 Survey” was not included.	Measurement→ Human Trafficking
4. b)	Accepted	Two more viz pertaining to Temporary Foreign Workers were added using the 2012-2019 data available <a href="#">here</a> .	Context→ Vulnerable Groups
5. 1.	Accepted	None	Overview
5. 2.	Accepted	None	Overview
5. 3.	Accepted	None	Measurement→ Human Trafficking (Number of Victims Associated with Police-Reported Incidents Involving Human Trafficking)
5. 4.	Partially Accepted	For brevity, the language under 5.4.b) was included only in part. The text placed next to visualizations is meant to complement the statistical data displayed, not to provide detailed	Context→ Vulnerable Groups

		explanations of programmes.	
5. 5. a)	Not Accepted	In line with the international <a href="#">standard</a> , Delta 8.7 uses the term domestic work(ers) rather than caregivers.	Context→ Vulnerable Groups
5. 5. b) c) & d)	Accepted	None	Context→ Vulnerable Groups
6.	Accepted	Edited for length	Government Efforts→ Policy Coordination→ International Commitments (National Strategies)
7.	Accepted	None	Government Efforts→ Targeted Government Action
